# Easy Vegetable Butchery

For prepping produce, turn to a santoku, nakiri or chef's knife. A thinner santoku blade is great for refined slicing and precision use. Nakiri knives, or vegetable cleavers, feature a flat blade ideal for chopping and mincing. Chef's knives feature a curved blade and swooping sharp tip to support precision and large-scale prep work.

## ORDERING INFORMATION

**Return Policy** At Williams Sonoma, we take great pride in the quality and craftsmanship of our products. Attention to design, materials, safety and construction are our priority. Upon receipt, please inspect your purchase and notify us of any damage; we will arrange for a prompt replacement.

If, within 30 days, you are dissatisfied with any reason, you may return your purchase for a refund of the merchandise value. An original receipt or gift receipt is required for all returns and exchanges. Returns with a gift receipt will be refunded in the form of a merchandise credit for the amount indicated on the gift receipt. Returns with original receipt will be refunded in the original form of payment. Cash and check refunds over \$100 will be issued as a company check. (Please allow 14 business days from time of request.)

We cannot accept returns on food, monogrammed items, personalized items, special-order items, custom upholstery, items shipped direct from the vendor or items damaged through normal wear and tear. Final-sale items with prices ending in \$0.97 or \$0.99 cannot be returned.

For returns of items purchased from your Williams Sonoma Gift Registry, we will gladly provide a refund or exchange for the merchandise within 90 days of your event or within 90 days of purchase, whichever date is later.

**Delivery** Our shipping and processing charges are intended to compensate our company for handling and packing the products you purchase, delivering them to you, managing related overhead and other items. Most purchases are shipped from our Distribution Center by UPS to arrive within 5 business days of receipt of your order. We will notify you by mail of any delays. Items ordered together do not always arrive in the same box. Custom-manufactured items shipped from the supplier will arrive within 1-2 weeks (large items take longer). Perishable items are shipped from the supplier and will arrive within 1 week. Sorry, we cannot ship perishable and certain heavy or oversize items outside the contiguous 48 states or to foreign countries.

**Gift Wrap** Not all items can be gift wrapped, but we can print your gift message on the packing slip. For details, see [williams-sonoma.com](http://williams-sonoma.com).

## Personalized & Monogrammed Items

Items marked with (M) can be monogrammed for an additional \$10.00 fee. Allow 3 weeks for delivery. Personalized and monogrammed items cannot be gift wrapped or returned. For details, see [williams-sonoma.com](http://williams-sonoma.com).
