**AM LAGER  
IN STOCK**
**AURA**

**bonna**  
Premium Porcelain

Zur beliebten Serie **AURA** gibt es nun auch stapelbare Bockbecher, welche idealerweise zu den bereits im Sortiment befindlichen Untertassen passen. Diese handbemalte Kollektion ist sehr individuell und es kann zu Farbabweichungen kommen.

The popular **AURA** series now also includes stackable bock cups, which ideally match the saucers already in the range. This hand-painted collection is very individual and may lead to color variations.

|                                                                                                                                                                          |                                                                                                                                                                           |                                                                                                                                                                           |                                                                                                                                                                           |                                                                                                                                                                               |                                                                                                                                                                               |                                                                                                                                                                               |
