

How to fill out the Laundry Custom Form

STEP 1

Merchant and Homeowner Details

This is the homeowner, customer name and signature

Store:	Purchase Order No:
Store Contact Name:	Date:
Customer Name:	Customer Signature:

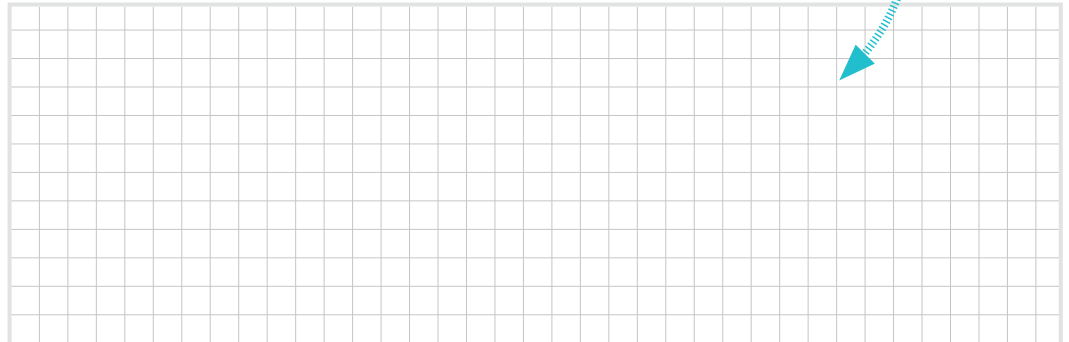

By signing this you agree that the measurements provided are correct for your laundry space

Order Laundry Request for Quotation Line Drawing Attached Quote reference if applicable to this order

STEP 2

Draw your Laundry Layout

1. Draw in cabinets that you would like
2. Mark the position of the sink, washing machine and/or dryer
3. Include as many measurements as possible!
4. Don't forgot the filler/end panels. Please ensure 16mm per panel is included in the overall laundry length.

Should you have any questions regarding designing your laundry please contact Newtech and the team will be happy to help!

STEP 3

The Measurements

Please include as much detail as possible. We require the below information to have the correct measurements and correct amount of packers/panels for your custom laundry.

Room/Wall Length: _____ Overall Benchtop Length: _____

Room Configuration

Wall-to-Wall Installation Against Left Hand Wall Installation Against Right Hand Wall Installation

Please note: It is expected that some alterations to original drawings will incur. Please allow 48hours from submission of your order for the team to confirm final details.
