## CHOOSE FROM 4 POWDER COAT FINISHES

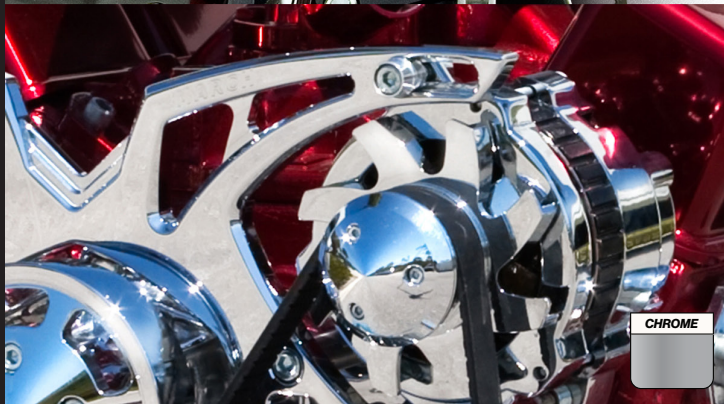

CLEAR

BLACK

CHROME

BLACK ONYX

# MARCH

### No Maintenance Required. **Period.**

March Performance's Billet Aluminum Pulleys, Brackets, and Air Cleaners come in a variety of powder-coat finishes. Our finishes are done in a powder-coat format that protects the billet aluminum from weather oxidation and removes the need to polish for high shine, creating a beautiful look with no maintenance required.

#### **MARCH CLEAR**

**OVERVIEW:**

Our standard signature finish. A simple clear powder-coat finish over our machine finished billet aluminum, high shine with no polishing required.

**AVAILABILITY:**

In Stock, No Wait.

#### **MARCH BLACK**

**OVERVIEW:**

A simple, but premium, black powder-coat finish that allows for a more modern or factory look.

**AVAILABILITY:**

In Stock, No Wait.

#### **MARCH CHROME**

**OVERVIEW:**

This March classic features triple plated chrome and is a highly requested finish type. It has a very reflective deep chrome finish for a stunning but classic look.

**AVAILABILITY:**

In Stock, No Wait.

#### **MARCH BLACK ONYX**

**OVERVIEW:**

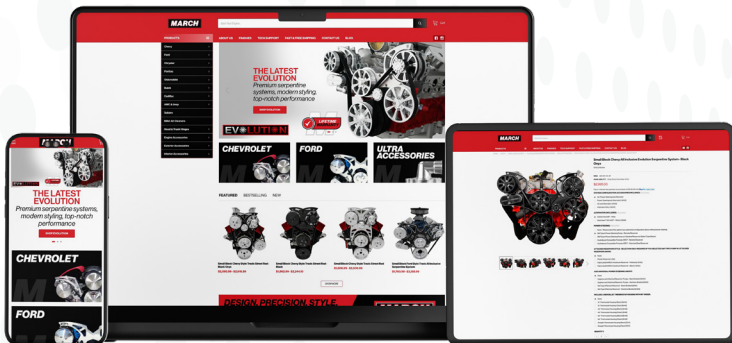

A new take on our black finish. Black powder-coat finish, with machine etched edges, covered in a clear powder-coat, creating a glossy black finish with aluminum edges. Finish applied to brackets only, comes paired with clear pulleys.

**AVAILABILITY:**

In Stock, No Wait.

# BILLET HOOD HINGES

## M PREMIUM FINISH

All March hood hinges are available in 4 distinct finishes: polished, black, clear coat and black onyx.

## M HOOD CLEARANCE

All March hood hinges are designed to meet or exceed the OEM hood opening angle, a feature exclusive to March.

## M MICRO ADJUSTMENT

Internal set screws rest on the mounting block to keep it in place as the bolt is loosened, allowing simple height adjustments.

## M GAS-POWERED STRUTS

Our ideal combination of fitting the correct force strut with the hood type is the key to opening and closing power of the hood.

## ALL NEW, ALL PREMIUM MARCH HOOD HINGES. INNOVATIVE DESIGN WITH INSTALLATION IN MIND.

Our patented **6-Axis Adjustability** hinge design allows one person to easily adjust hood gaps and positioning with complete precision.

PATENTED  
US 11,002,047

## M CAM BUTTON TECHNOLOGY

Take the stress and time out of adjusting hood fitment by easily adjusting the buttons to shift the hood side-to-side or at an angle.

## M ADJUSTING ROD

Allows for final rear height adjustments in very small increments to get the hood gaps perfect.

# BILLET TRUNK HINGES

## M OEM COMPATIBLE

All March trunk hinges are designed to OEM specifications. No hole drilling required. Ever.

## M PREMIUM FINISH

All March trunk hinges are available in our 4 distinct finishes: polished, black, clear and black onyx.

## M CAM BUTTON TECHNOLOGY

Similar to March hood hinges, our trunk hinges utilize the same cam button technology to fix lid gaps in no time at all.

## M MICRO ADJUSTMENT

Internal set screws rest on the mounting block to keep it in place as the bolt is loosened, allowing simple height adjustments.

## M VERTICAL ADJUSTMENT

Trunk hinges include a built in adjustability feature to raise and lower the lid. \*Not available for all applications.

## M GAS-POWERED STRUTS

Our ideal combination of fitting the correct force strut with the lid type is the key to the opening and closing power of the trunk.

## PREMIUM MARCH TRUNK HINGES. INNOVATIVE DESIGN WITH INSTALLATION IN MIND.

Our 6-Axis adjustability hinge design allows one person to easily adjust trunk gaps and positioning with complete precision. No drilling required, ever.

# BILLET ACCESSORIES

## ADAPT YOUR BARBED RADIATOR/WATER PUMP FITTING TO -AN FITTING

**PATENT PENDING**

**M** -16 or 20AN

Choose between a 16 or 20 AN fitting.

**WIDE COMPATIBILITY**

Use for any inlet/outlet with diameters from 1.25-2.0". Lip on radiator must be less than 1.68"

**M** PREMIUM FINISH

All March billet fittings are available in polished, black or a clearcoat finish.

**WELDFREE**

Avoid the hassles of welding on a new fitting. Certified leak proof compression up to 120 PSI.

### AN COMPRESSION FITTING

-16AN	RAD-16-XXX	\$139.95
-20AN	RAD-20-XXX	\$139.95

## ADJUSTABLE RADIATOR SUPPORT BRACKETS

**M** UNBEATABLE DURABILITY

100% CNC machined in the USA from 6061-T6 billet aluminum.

**SWIVEL BASE**

Adjustable swivel base allows for mounting to any vertical or horizontal surface.

**M** RADIATOR THICKNESS

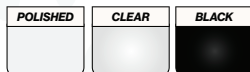

Adjustable clamp provides tight fit on various radiators from 1.5-3.5" thick.

**MOUNTABLE TO ANY SURFACE**

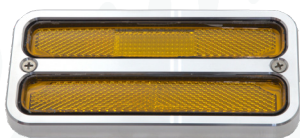

**PATENT PENDING**

Radiator Thickness	Part #	
1.5 - 2.5"	723668-2	\$79/ea
2.5 - 3.5"	723668-3	\$79/ea

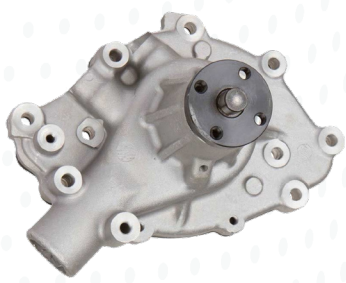

## SIDE MARKER AND TAIL LIGHT BEZELS | LED LIGHTS

**APPLICATION**

## AVAILABLE IN OUR 4 POPULAR FINISHES

CAST	POLISHED	BLACK	CHROME

We back all of our accessories, AC Compressors included, with a lifetime warranty. If you need assistance in selecting the right AC Compressor for your build, or have any other questions, give our sales staff a call at **(888) 729-9070** or send us an email to [info@marchperformance.com](mailto:info@marchperformance.com).

## OFFICIAL VINTAGE AIR™ PROVIDER

Vintage Air  
**SureFit™**  
Systems

Keep your ride cool and drive it more often with a new AC system from Vintage Air™. March Performance is proud to be a distributor and partner with an industry leader who cares about quality and performance.

Vintage Air™ is the pioneer in classic AC systems and their Surefit™ systems are the gold standard. Each Gen V Magnum™ system features fully electronic operation (No cables or vacuum controls!). This simplifies installation and gives you infinite control of your air blend. Variable speed blower motors also let you control air speed. Patented cable converters let you re-use your factory controls for an OEM look

Order online or call us at (888) 729-9070 and we can walk you through the selection process to make sure your AC system will work well with your pulleys and brackets. We carry the full line of Vintage Air™ products to help you stay cool!

### SUREFIT™ SYSTEMS AVAILABLE FOR:

- 1964 - 70; 87 - 93 Mustang

## 6 REASONS TO CHOOSE MARCH PERFORMANCE

### **KNOWLEDGE & EXPERIENCE**

*Our 28 years experience in automotive performance products helps you get the right parts the first time.*

### **NO POLISHING NEEDED**

*All brackets and pulleys have clear powder coatings that eliminate polishing in those hard to reach places.*

### **ALL BILLET PRODUCTS**

*Made of 6061-T6 aircraft grade aluminum. Our brackets are 100% thicker than similar products and far superior than cast brackets.*

### **PRECISION CNC MACHINED**

*Built to run perfectly true from our countless years of aircraft & automotive manufacturing experience.*

### **EXCEPTIONAL STYLING**

*Kits are developed with superior styling in mind. It shows through where it's important: when installed in your car's engine bay.*

### **HARD COATING**

*Hard coating increase pulley life. Hardened to 65 Rockwel "C" scale. Harder than steel, 2 times harder than forged aluminum!*
