Indel B Plein-Aircon

The iconic Plein-Aircon model from the OFF line by Indel B goes even further: the first 12V air conditioner for camper vans and semi-integrated vehicles powered by only an auxiliary battery is now available in two models with unique features.

Indel B Plein-Aircon 12V Roof Mounted Air Conditioner

32620

Indel B Plein-Aircon 12V roof-mounted air conditioning unit designed for installation on campervans up to six meters in length, equipped with a 12V DC power supply.

Indel B Plein-Aircon Standard Diffuser

32621

This diffuser is the standard model (without incorporated mood lighting) and features adjustable air vents. It has been redesigned and manufactured entirely in Italy, with improved efficiency and user-friendliness thanks to the new configuration of the fins. The precision and directional flexibility of the air distribution have been optimised, allowing for even vertical distribution.

Indel B Plein-Aircon Ringlight Diffuser

32622

Plein-Aircon 12V Ringlight diffuser designed to be paired with the Plein-Aircon 12V Roof Mounted Air Conditioning Unit (sold separately). The diffuser is equipped with a perimeter of white LED lights, providing ambient lighting within the vehicle's interior. Additionally, it features a perimeter of blue LED lights to create an alternative ambience, or for use as a night light.

Indel B Plein-Aircon Lightbox Diffuser

32623

Plein-Aircon 12V Lightbox diffuser designed to be paired with the Plein-Aircon 12V Roof Mounted Air Conditioning Unit (sold separately). The diffuser is specially designed to return natural light from the porthole, or diffuse white light for general illumination, or blue light ideal for night driving.

Menabo

Menabo Antares Tilting & Folding Bike Rack for Towbar

The Menabo Antares is a bike carrier designed to be mounted on the towbar of a vehicle and with a maximum capacity of 60kg.

Description	Part Number
Antares 3 Bikes	MBO-1034
Antares 2 Bikes	MBO-1263

Menabo Alcor Tilting Bike Rack for Towbar

Menabo Alcor bike rack designed to attach to the towbar of a vehicle. Made up of a steel frame with aluminium rails with a maximum weight capacity of 60kg.

Description	Part Number
Alcor 3	MBO-1127
Alcor 2	MBO-113

Towbar-Mounted Two Bike Rack

Menabo towbar-mounted bike rack featuring a compact and lightweight design with aluminium rails. The lever-operated tilting system allows users to tilt the rack for easy access to the vehicle's boot without removing the bikes or the entire rack.

Description	Part Number
Type K (45 kg Max.)	MBO-1177
Type Q (45 kg Max.)	MBO-1191

Roof Mounted Bike Rack

Constructed with aluminium and heavy-duty plastic parts, this bike rack complies with the highest safety standards. The bike carrier has both TÜV and CITY CRASH certifications and comes with a 2-year warranty.

Description	Part Number
Menabo Chrono SX Single Bike Rack / 25kg Max	MBO-123
Menabo Juza Single Bike Rack / 15kg Max	MBO-81

Menabo Niagara Kayak Carrier

50kg Max.
MBO-419

The Menabo Niagara is a functional and lightweight carrier for transporting kayaks on a vehicle's roof bars.

The carrier is extremely easy to handle and foldable, providing convenience for users when not in use. It can recline up to approximately 100°, offering flexibility in adjusting the carrier, based on the user's needs.

Menabo Professional Airdyn C Roof Bars

150kg Max.

A set of three roof bars complete with fixing kit, designed for installation on commercial vehicles and particularly suited to Volkswagen Transporters (T6) and T7 Multivans. The bars are each 1650mm in length and the full set of three installed together have a maximum load capacity of 150kg.

Description	Part Number
Menabo Van Roof Bar Kit Transit x 3 Bars	MBO-1313
Menabo Van Roof Bar Kit Ducato x 3 Bars	MBO-1316
Menabo Van Roof Bar Kit VW T6 / T7 x 3 Bars	MBO-1317
Menabo Van Roof Bar Kit Sprinter / Man x 3 Bars	MBO-132

Menabo

Menabo Jackson Raised Rail Roof Bars

Menabo Jackson Silver Raised Rail Roof Bars designed for installation on cars with raised rails, providing a secure attachment point for additional cargo or accessories. The Menabo Jackson roof bar has a maximum load capacity of 90kg and is easily fixed to the vehicle using the fixings provided.

Description	Part Number
Menabo Jackson Silver Raised Rail Roof Bar	MBO-1128
Menabo Jackson Black Raised Rail Roof Bar	MBO-1231
Menabo Jackson Black Raised Rail Roof Bar (XL Version)	MBO-1232

Menabo Sherman Raised Rail Roof Bars

Menabo Sherman set of aluminium roof bars designed for cars with raised rails. Features include an anti-theft system and roof clamps made of abrasion rubber chosen for its durability and resistance to wear and tear. The bars have a maximum loading capacity of 90kg.

Description	Part Number
Menabo Sherman Black Raised Rail Roof Bar	MBO-1228
Menabo Sherman Black Raised Rail Roof Bar (XL Version)	MBO-1229

Menabo Tiger Duo Rail Roof Bars

Menabo Tiger Silver Rail Roof Bars designed for vehicles with raised or flush rails and can hold cargo up to a maximum load capacity of 75kg.

Description	Part Number

Victron Orion-Tr DC-DC Charger Isolated Remote Cable VC-ASS070300100

Victron BMV Series Battery Monitor Gauge

The gauge is easy to install with just two connecting cables and can be programmed easily through the gauge or through the smartphone app. The gauge draws very little current from the battery, around 0.7Ah per month on a 12 Volt system or 0.6Ah per month on 24 Volt. It also features a bi-stable alarm relay which prevents an increase in current draw in case of an alarm.

Description	Part Number
BMV-702	VC-BAM010702000R
BMV-712	VC-BAM030712200R

Victron Battery Protect

Victron BatteryProtect disconnects the battery from non-essential loads before it becomes completely discharged. It can be set to disconnect at several different voltages and a digital display is built in to indicate what setting has been selected. An alarm signal is also built in that can be used for an external buzzer/warning light, this alarm is triggered 90 seconds before disconnect.

24V / 8A	VC-BPC240831024R
24V / 13A	VC-BPC241331024

Victron Solar Panel 4a Monocrystal

Victron monocrystalline solar panel with a sturdy, anodised aluminium frame allows module to be easily roof mounted. Highest quality, high transmission tempered glass provides enhanced stiffness and impact resistance. High performance bypass diodes minimise the power drop caused by shade.

Description	Part Number
115W	VC-SPM041151202
140W	VC-SPM041401200
175W	VC-SPM041751200

Various

Truma Combi Heaters

The iNet X System enables you to centrally control your indoor climate, hot water or similar, continually keep an eye on key status indicators and much more.

Description	Part Number
Truma Combi Heater 4E-iNet X	32365-INET
Truma Combi Heater 6E-iNet X	32366-INET

Truma iNet X Panel

Central Control Unit for Appliances
36413-01

The Truma iNet X Panel serves as a centralised control hub, overseeing heating, hot water, and air conditioning systems using one operating system.

The 4.3" colour panel has a touchscreen interface allowing onboard functions to be controlled effortlessly through the well-organised menu.

Truma Ultrastore Rapide 10 Litre Gas & Electric Boiler With fittings

The Truma Ultrastore Rapide GE Boiler is a compact and versatile 10-litre water heater designed for use in caravans, motorhomes, and other recreational vehicles.

Description	Part Number
Standard Fittings	73611-01PK
JG Fittings	73611-02PK

Exide ER600

12V FLA Battery 120Ah
VB-205

Exide 12V leisure battery. Flooded lead-acid technology with central degassing, low gas emissions and low maintenance. Dual purpose, primarily for use as a domestic battery but can be used for engine starting. 120Ah C20, 300 cycles to 50% DoD, 800 CCA and 2 year warranty.

Cello Smart Webos TV With Freeview Play

The frameless design utilises the entire screen, so you can focus on the content as it uses a super-slim bezel. The built-in Smart platform, developed by LG, allows you to browse the web and download all your favourite entertainment apps.

Description	Part Number
24"	TV-C24WS
32"	TV-C32WS

M.A.D Airmaster Comfort

More comfort, stability and safety with a MAD air suspension system. An alternative to auxiliary suspension of a coil spring is auxiliary air suspension. MAD has two types of auxiliary air suspension - An air bag that is placed inside the coil spring or air bellows that are mounted next to the original spring. MAD Air Master Comfort - Auxiliary air suspension bellows with compressor and operation panel.

Stainless Steel Staples Pack of 100

Pack of 100 stainless steel staples for use with Power-TEC hot stapler, our product code PTEC-92478. These staples are ideal for exterior angle repairs and include a quick snap feature to easily remove staple ends.

Description	Part Number
U Shaped 0.6mm	PTEC-91782
U Shaped 0.8mm	PTEC-91783
V Shaped 0.8mm	PTEC-91784
W Shaped 0.6mm	PTEC-92326
W Shaped 0.8mm	PTEC-92327
M Shaped 0.6mm	PTEC-92547
M Shaped 0.8mm	PTEC-92548

Power-TEC Rechargeable Cordless Hot Stapler Kit PTEC-92478

A rechargeable Hot Stapler Kit from Power-TEC, designed for plastic repair, particularly for automotive applications such as bumpers and headlamp housings. The stapler is cordless allowing the user to move freely during repair work.

Power-Tec ABS Rods and Strips Natural

Description	Part Number
Flat Strips 10mm 15pcs	PTEC-29520
Rods 3mm 30pcs	PTEC-29522

Power-TEC Nitrogen Plastic Welder with Generator PTEC-92452

Plastic welder tool with a built-in nitrogen generator, eliminating the need for a separate nitrogen gas bottle. The use of workshop compressed air helps maintain a consistent temperature between welds. This is crucial for achieving strong and reliable welds. The nitrogen is employed strategically to enhance this process.

Power-TEC Solvent Spray For Hot Melt Glue Removal PTEC-92341

Power-TEC Aluminium Foil Tape 50mm x 45m Roll PTEC-37095

Power-TEC Polypropylene Flat Repair Strips Pack of 50 300 x 11mm PTEC-91331

New Range | Laser Tools

Laser Tools 20V 4.0Ah Li-Ion Battery 'One Battery Powers All'

LT-8007

This 20V 4.0Ah battery features 10 lithium cells, diagnostic LED to read health plus built in protection against over heating and overcharging. Cordless power is fast becoming the experts choice over mains and pneumatic, bringing extra safety to the workforce environment.

Laser Tools Battery Charger 230V Mains 4 Amp (UK Plug)

LT-8008

This 230V 4 amp mains battery charger is used with the 10 cell lithium battery (Part No. LT-8007). Features include diagnostic LED plus built in protection against over heating and overcharging. Cordless power is fast becoming the experts choice over mains and pneumatic, bringing extra safety to the workforce environment.

Laser Tools Cordless Angle Grinder 20V Kit

LT-68010

An ideal starter kit comprising of the cordless angle grinder and key accessories required. The angle grinder delivers a comfort grip, with optional locking switch. Features include metal gears and an M14 spindle using 115mm grinding/cutting disc.

Laser Tools Cordless Variable Speed Impact Drill 20V Kit

LT-68011

An ideal starter kit comprising of the cordless variable speed impact drill and key accessories required. This impact drill delivers a comfort grip, variable power control and uses a 13mm keyless chuck.

Laser Tools Cordless Impact Screwdriver 20V Kit

LT-68012

An ideal starter kit comprising of the cordless impact screwdriver and key accessories required. This impact drill delivers a comfort grip, variable power control and quick chuck system for easy changeover of bit insert.

Laser Tools Cordless Impact Wrench 1/2" Drive 20V Kit

LT-68013

An ideal starter kit comprising of the cordless impact wrench 1/2"D and key accessories required. This impact wrench delivers a comfort grip, variable power control and an intelligent circuit board giving prolonged life.

Laser Tools Cordless Polisher 20V Kit

LT-68073

An ideal starter kit comprising of the cordless polisher 1/2"D and key accessories required. This cordless polisher delivers a comfort grip, with safety switch. This five speed polisher delivers a comfortable grip, trigger lock and adjustable handle for ease of use.

Laser Tools Cordless Drill Adaptor 1/4"

2-in-1 Bit & Socket

LT-6836

A bit and socket adaptor with quick chuck end in one tool provides great time savings. The adaptor is ideal for use with cordless drills and takes any 1/4" shank bits and 1/4"D sockets. Durable socket and bit adaptor made from chrome vanadium.

New Range | Laser Tools

Laser Tools Cordless Angle Grinder 20V

No Battery
LT-8010

This angle grinder delivers a comfort grip with optional locking switch. Features include metal gears and an M14 spindle suitable for a 115mm grinding/cutting disc.

LASER

Laser Tools Cordless Variable Speed Impact Drill 20V

No Battery
LT-8011

This dual speed impact drill delivers a comfort grip, variable power control and uses a 13mm keyless chuck. Features include metal gears and a maximum torque of 130Nm coming from 23 settings, changeable hammer, drilling or screwdriving action, a fixed belt clip holder and an LED light to enhance workspace.

LASER

Laser Tools Cordless Impact Screwdriver 20V

No Battery
LT-8012

This impact screwdriver delivers a comfort grip, variable power control and quick chuck system for easy changeover of bit insert. Features include metal gears and a maximum torque of 200Nm, a fixed belt clip holder and an LED light to enhance workspace.

LASER

Laser Tools Cordless Impact Wrench 1/2" Drive 20V

No Battery
LT-8013

This impact wrench delivers a comfort grip, variable power control and an intelligent circuit board giving prolonged life. Features include a maximum torque of 300Nm, a fixed belt clip holder and an LED light to enhance workspace.

LASER

Laser Tools Cordless Polisher 20V

No Battery
LT-8073

This cordless polisher delivers a comfort grip, with safety switch. This five speed polisher delivers a comfortable grip, trigger lock and adjustable handle for ease of use, and uses standard M14 thread compound and polishing heads, with a clever spindle lock function making it quick and simple to change pads.

LASER

Laser Tools High Torque Handle

For Cordless Impact Drill
LT-8074

A high torque handle for use with Laser cordless variable speed impact drill (Part No. LT-8011) to provide greater control and leverage. Recommended for torque settings over 80Nm, this handle offers better accuracy when drilling in high torque applications. With a simple twist of the handle it locks onto impact drill.

LASER

Laser Tools Cordless Rechargeable Soldering Iron (8W)

LT-8273

Rechargeable cordless soldering iron 8W with battery charge level indicator and inbuilt LED, making it ideal for use in dimly lit areas such as engine bays and vehicle interiors. It features an 1800mAh Li-ion battery providing usage time of approximately 1hr and reaches working temperature in 7 seconds, with a range of 200° to 480°C.

LASER

Laser Tools Digital Multimeter

LT-6228

This digital multi-meter is for measuring AC and DC voltages, DC current, resistance, and diodes. The multimeter features diode and transistor check functions and is supplied complete with two 1.5V batteries. Maximum voltage: 600V DC and 600V AC.

LASER

New Range | Laser Tools

Laser Tools Combination Spanner Set 6-Piece

8, 10, 12, 13, 14 & 17mm
LT-0156

A good value set of metric Bi-Hex (12pt) combination spanners sized from 8mm to 17mm. The tools have a satin body finish and polished jaws for a practical, classic look.

LASER

Laser Tools Telescopic Wheel Brace

17mm / 19mm
LT-0591

Wheel brace with flip socket in 17mm and 19mm. This wheel brace features a cushioned-grip telescopic handle for leverage and space saving. The telescopic wheel wrench extends up to 500mm long and has a 1/2" drive.

LASER

Laser Tools Metric Hex Key Set 10-Piece

1.5mm to 10mm
LT-0952

A 10-piece metric Hex key set from 1.5mm up to 10mm, supplied complete with a storage clip for safe keeping. This allen key set includes the following hex sizes: 1.5mm, 2mm, 2.5mm, 3mm, 4mm, 5mm, 5.5mm, 6mm, 8mm and 10mm.

LASER

Laser Tools Automatic Wire Stripper, Cutter and Crimper

LT-1336

Self-adjusting wire stripper and cutter with crimping function for insulated and non-insulated terminals. The automatic wire stripper and cutter produces precise results quickly and easily every time and is suitable for wire sizes from 10 to 26 AWG.

LASER

Laser Tools Combination Spanner Set 8-Piece

8mm to 19mm
LT-1571

A quality set of metric Bi-Hex (12pt) combination spanners that covers medium metric sizes from 8mm to 19mm. The tools come in a smooth satin finish with rounded sides for a sleek, modern look.

LASER

Laser Tools Combination Spanner Set 12-Piece

6mm to 22mm
LT-1572

A quality set of metric Bi-Hex (12pt) combination spanners that covers medium metric sizes from 6mm to 22mm. The tools come in a smooth satin finish with rounded sides for a sleek, modern look.

LASER

Laser Tools Multi-Purpose Bit Set

49-Piece
LT-2552

A set of 49 bits complete with a 60mm magnetic bit holder. This bit set includes Star* and Hex bits in standard and tamperproof formats, plus popular sizes in Phillips, Spanner Bits, Tri-wing, Torq set and PzDrive bits.

LASER

Laser Tools Hex Key Set 30-Piece

Metric & Imperial
LT-2577

A comprehensive set of Hex keys in short series Metric 0.7mm to 10mm, and long series imperial 0.028" to 3/8" sizes.

LASER

New Range | Laser Tools

Laser Tools Soft Pipe Cutter

Up to 35mm
LT-2829

Soft pipe cutter is ideal for soft rubber hoses up to 35mm diameter. The hose pipe cutter has a composite body with a spring-loaded handle and a handle clip.

LASER

Laser Tools Bit Set

100-Piece
LT-2905

A comprehensive bit set made from chrome vanadium, with Hex, Star*, Flat, Phillips, PzDrive, Square, Spanner, Torq set, Tri-wing, Spline and Butterfly profiles, all in one handy set.

LASER

Laser Tools Screwdriver Set

8-Piece
LT-3041

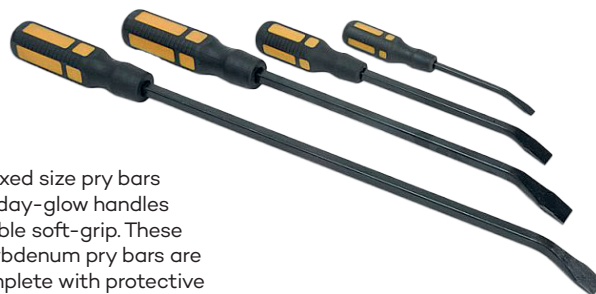

A set of eight soft grip screwdrivers in Flat and PozDrive profiles which are colour coded for quick identification.

LASER

Laser Tools Pry Bar Set in Chrome Molybdenum

4-Piece
LT-3216

A set of 4 mixed size pry bars with plastic, day-glow handles for comfortable soft-grip. These chrome molybdenum pry bars are supplied complete with protective caps for the tips.

LASER

Laser Tools Long Nose Pliers

210mm
LT-4818

Long nose pliers measuring 210mm long, with serrated grip jaws and a jaw capacity of 67mm. The pliers have ergonomic, soft grip handles and chromed nickel steel construction with slim polished jaws and integrated wire cutters.

LASER

Laser Tools Adjustable Wrench

0-33.5mm / 300mm
LT-4924

Adjustable wrench with a jaw capacity up to 33.5mm, with standard adjustable screw for quick and precise adjustment of the jaw width. The wrench features a measuring scale on the head and is made of chrome vanadium.

LASER

Kamasa Sealant/ Caulking Gun

600ml
LT-55897

A large caulking gun suitable for use with sealants, fillers or grease. The applicator gun fits both sausage silicone packs and standard sealant cartridges. It features a 600ml capacity aluminium cylinder, spring-loaded trigger handle with easy release and is supplied complete with a plastic nozzle.

Kamasa

Kamasa Combination Spanner Set

22-Piece
6mm to 19mm / 1/4" to 7/8"
LT-SP2422

A 22 piece standard combination spanner set, combining both metric and imperial (AF) sizes. These spanners are manufactured from Chrome Vanadium and are supplied with a useful storage wallet that has eyelets for hanging on a workshop wall.

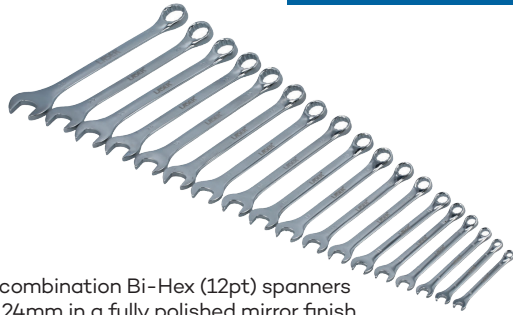

Kamasa

New Range | Laser Tools

Laser Tools Combination Spanner Set 18-Piece

6mm to 24mm
LT-6758

A smart set of metric combination Bi-Hex (12pt) spanners sized from 6mm up to 24mm in a fully polished mirror finish. This premium set is made from chrome vanadium for strength and durability, designed for years of reliable service.

LASER

Laser Tools Flameless Hot Air Blower for Heat Shrink

LT-6848

Flameless hot air blower for use with all heat shrink tubes. A light and compact tool with a pistol grip and a thumb press on/off switch for comfortable hand held use.

LASER

Laser Tools Long Nose Pliers

Insulated / 200mm
LT-7469

VDE insulated long nose pliers, manufactured from chrome vanadium with a satin finish and high voltage safety grip handles. These 200mm long nose pliers are suitable for use on live circuits up to 1000V AC or 1500V DC.

LASER

Laser Tools Caravan Leg Winding Socket

19mm
LT-7679

This winding socket is specifically designed for caravan leg winding, as well as trailer support legs. The caravan leg winder has a 19mm socket end for the caravan leg attachment, and an 8mm drive Hex end (25mm long) for use with a 10mm drill chuck.

LASER

Laser Tools Heavy Duty Toolbag

18"
LT-7846

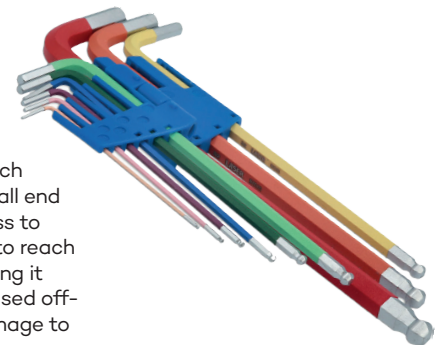

A heavy duty nylon toolbag, ideal for carrying and storing both hand tools and power tools. The tool bag is 18" long with reinforced, wide opening top for easy access for tools of all sizes. It features standard carrying handles with a removable shoulder strap for ease of carrying, as well as a hard base with 4 bottom protectors for durability.

LASER

Laser Tools Colour Coded Hex Key Set with Ball End

9-Piece / 1.5-10mm
LT-7869

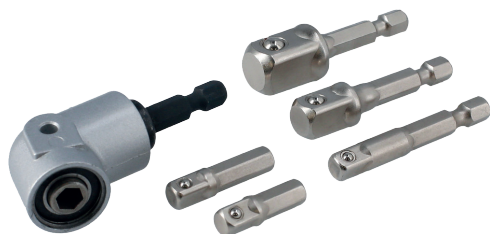

These L shaped Hex Keys each feature a long shaft with a ball end tip allowing for greater access to difficult and otherwise hard to reach screws, with the design making it ideal for when having to be used off-line without causing any damage to the head of the screw.

LASER

Laser Tools Angled Drill Adaptor Set

6-Piece
LT-8441

A right-angled drill adaptor set for driving sockets on hard to reach fixings. This drill adaptor is suitable for use with a cordless drill or electric screwdriver. It features 3 power extensions for driving 1/4"D, 3/8"D and 1/2"D sockets.

LASER

Laser Tools Ratchet Ring Combination Spanner Set

12-Piece (8mm - 19mm)
LT-8511

Ratchet ring combination spanner set 8mm to 19mm, with Bi-Hex (12pt) ratchet ring. The 72-tooth ratchet mechanism means that just 5° of movement is required, allowing fasteners to be turned quicker and making them ideal for use in confined areas.

LASER

New Range | Laser Tools

Laser Tools Club Hammer

3lb
LT-8610

A 3lb club hammer with a high strength fibreglass shaft and a shock absorbing TPR grip to help minimise vibration and fatigue. The head is manufactured from a medium grade carbon steel with a black phosphate finish and polished striking faces.

LASER

Laser Tools Organiser Tool Box

500mm / 19.5"
LT-8652

A robust 19.5" tool box ideal for carrying hand tools, including cordless tools together with parts and accessories. It features a slide out tool organiser suitable for drill bits and hex keys, together with a removable tool tray suitable for organizing small parts, spares and consumables, and the lid includes a padlock hole for extra security.

LASER

Laser Tools Pocket Gas Torch with Safety and Flame Lock

12ml
LT-8710

A light and compact butane gas powered torch with piezo electric ignition. It features a safety lock, to prevent accidental ignition, together with a flame lock to allow for continuous use.

LASER

Laser Tools Cable Tie Fastening Tool

LT-8781

A pair of cable tie pliers designed for installing nylon cable ties between 2.5 and 8mm wide, up to a maximum thickness of 1.8mm. They feature spring-loaded cushion grip handles, to allow for one-handed operation, together with an integral cutter to neatly cut off any excess once tensioned.

LASER

Laser Tools 2-in-1 Socket and Bit Adaptor Set

1/4"
LT-8796

A pair of socket and bit adaptors each fitted with a quick chuck, suitable for both cordless drills and bit drivers. Both adaptors feature a dual function chuck which allows them to be used to drive any standard 1/4" shank bit or 1/4"D socket.

LASER

Laser Tools Micro Ratchet Set 1/4" Drive

2-Piece
LT-5822

A high torque set of 80mm long micro ratchets, including a 1/4" drive ratchet and 1/4" hex bit driver. These ratchets are made from polished chrome vanadium and feature reversible ratchet mechanisms.

Furniture Boards

Furniture Boards

A pack of lightweight furniture boards with a choice of finish on both sides. Each board measures 2500 x 1220 x 15mm and weighs just 26kg. Designed for countless applications in campervan and motorhome fit-outs, the lightweight boards are constructed with plywood or composite cores, typically weighing half as much as MFC alternatives. The boards offer excellent screw retention and machineability. Their heat and moisture-resistant characteristics make them suitable for environments with temperature and humidity variations. Morland furniture boards are made in the UK using plywood sourced from PEFC-certified forests.
