Disegni della maniglia di /
Handle sketches by
Alfonso Femia

(IN)finito

Come un filo
bidimensionale
che arriva dai bordi
della porta,
disegna la maniglia
e poi continua il suo
viaggio, ora verso
l'altro lato, ora verso
l'alto, ora nell'altra
direzione.

*Like a two-
dimensional line
that arrives from the
edges of the door
and draws the handle
before continuing on
its way, towards the
other side, upward,
in the opposite
direction.*
