Alessandro Poggi (fondatore di / *founder of* Poggi & Mariani), Vilma Martinelli (proprietaria e general manager di / *owner and general manager of* Dnd).

Impegnarsi per continuare una storia di eccellenza è una scelta dettata dalla passione. Passione per la materia e le forme, i gesti e le lavorazioni, la ricerca e la sapienza artigianale. Per questo Dnd è felice di poter proseguire – e valorizzare al meglio – la storia positiva del marchio Poggi Mariani con una collezione di maniglie classiche dai tratti unici.

Committing to continuing a history of excellence is a choice dictated by passion. Passion for materials and shapes, gestures and workmanship, research and craftsmanship. For this reason, Dnd is happy to be able to continue – and make the most of – the positive history of the Poggi Mariani brand with a collection of classic handles with unique features.

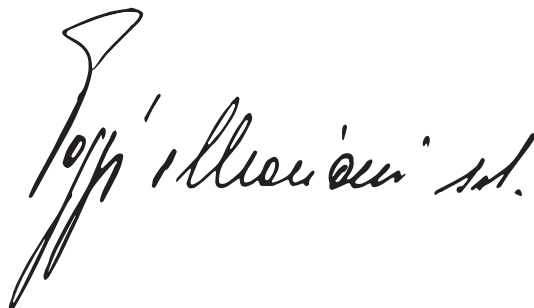

Lazienda Poggi & Mariani nasce nel 1980 in un laboratorio sui Navigli milanesi: una realtà artigianale, fatta di grande capacità tecnica, i cui prodotti hanno conquistato nel tempo un posto di prestigio su scala internazionale, grazie alla loro alta qualità in termini di realizzazione, cura dei particolari e raffinatezza delle forme.

Dnd è oggi proprietaria del marchio e completa la sua specializzazione nel settore di competenza: le maniglie Poggi Mariani sono ideale ampliamento della vocazione, dell'esperienza e dell'alta qualità di Dnd.

Poggi & Mariani was founded in 1980 in a workshop on the Navigli in Milan: an artisanal reality, made up of great technical skill, whose products have conquered over time a place of prestige on an international scale, thanks to their high quality in terms of manufacture, attention to detail and refinement of form.

Dnd now owns the brand and completes its specialisation in its field of expertise: Poggi Mariani handles are an ideal extension of Dnd's vocation, experience and high quality.

**Cura ed eccellenza,
dal lavoro
alla rifinitura.**

***Care and excellence,
from work
to finish.***

Le maniglie Poggi Mariani sono tutte realizzate in ottone e vengono forgiate a mano, in fonderia, secondo tecniche dall'origine antica: la fusione colata in sabbia e la fusione in conchiglia.

A questi passaggi seguono poi la sgrossatura e la saldatura, fino alle rifiniture nei vari colori, con la delicatezza che oggetti così particolari richiedono.

Saperi di un tempo, tramandati con passione da maestranze fedeli e praticati da mani attente e di grande esperienza. Gesti calibrati, in un processo che emoziona.

Poggi Mariani handles are all made of brass and are forged by hand in the foundry, using techniques of ancient origin: sand casting and shell moulding.

These steps are followed by roughing and welding, through to finishing in the various colours, with the delicacy that such special objects require.

Time-honoured knowledge, handed down with passion by faithful workers and practised by attentive and experienced hands. Calibrated gestures, in a process that excites.

made in italy

**Con orgoglio,
verso il mondo.**

Produrre maniglie di qualità e completamente Made in Italy: una scelta strategica di lunga data che si fonda sui valori della cultura aziendale italiana e sul profondo legame che Dnd ha nei confronti del suo territorio e del suo distretto. Dnd è Made in Italy con l'orgoglio di realizzare prodotti grazie al sapere, alla ricerca, allo stile e alla cura che oggetti di piccole dimensioni – come le maniglie – richiedono. L'eccellenza e il valore del design italiano si fondano da sempre sullo sviluppare, lavorare, rifinire e collaudare in Italia: passaggi importanti a tutela di prodotti di qualità. Dalla creatività ai materiali, dal disegno al progetto, dalla produzione alle finiture, maniglie che sono da sempre fatte in Italia – e fatte di Italia – per entrare nelle case più belle e accoglienti, per caratterizzare progetti architettonici di pregio e per soddisfare al meglio le personalizzazioni del mondo contract, in Italia e nel mondo.

**Proudly reaching

Le atmosfere del Mediterraneo in uno stile che comunica eleganza e calore nell'accoglienza.

Profili semplici e morbidi, che guardano alla tradizione e si ispirano alle culture affacciate sul "nostro" mare. Nella continuità di uno stile che è storia, l'ottone diventa sinuoso e si unisce anche alla porcellana. E finiture dalle tonalità calde completano maniglie che accolgono in ambienti ospitali e dall'atmosfera raffinata.

Mediterranean atmospheres in a style that conveys elegance and warmth in reception.

Simple soft profiles that look to tradition and are inspired by the cultures that overlook "our" sea. In keeping with a style that has made history, brass becomes sinuous and combines with porcelain. Warm finishes complete handles that welcome to warm environments with an elegant atmosphere.

L'alta artigianalità guarda al presente e forgia maniglie dai profili decisi e puliti, sia lineari sia arrotondati. Complementi dall'appeal fresco, realizzati con un attento sapere tramandato nel tempo per esprimere oggi la qualità della manifattura in spazi domestici dal sapore attuale.

High craftsmanship looks to the present and forges handles with well defined and clean profiles that can be both linear and rounded. Accessories with a fresh appeal, manufactured using skills handed down over time to express high quality workmanship in home environments with a modern flavour.
