Thank you to our partners and customers for your continued support. We are so excited to share all of our new plush creations with you. You will find sweet new friends like Twinkling Starlight in Baby Love, and other entertaining friends with exciting new animation like Surf's Up Brody.

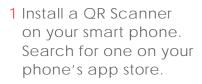

Don't forget to check out our popular collection of soft plush, #PLUSHGOALS. We are receiving SO MUCH LOVE from our retailers and from fans across social media! In the span of a few short months since launch, people everywhere are talking about our Wawa the Froggie & Mooshakes lines. In this upcoming year, we are expanding upon these lines to bring fun new characters and styles, and even new animal friends in a line called PlushGoals Planet.

Have you seen our new wholesale website yet? Our team revamped and launched our wholesale website earlier this past year so that you can browse our entire collection and place an order online with ease.
