Inspired by light and shadow, texture and print combine to ooze delicate glamour for walls.

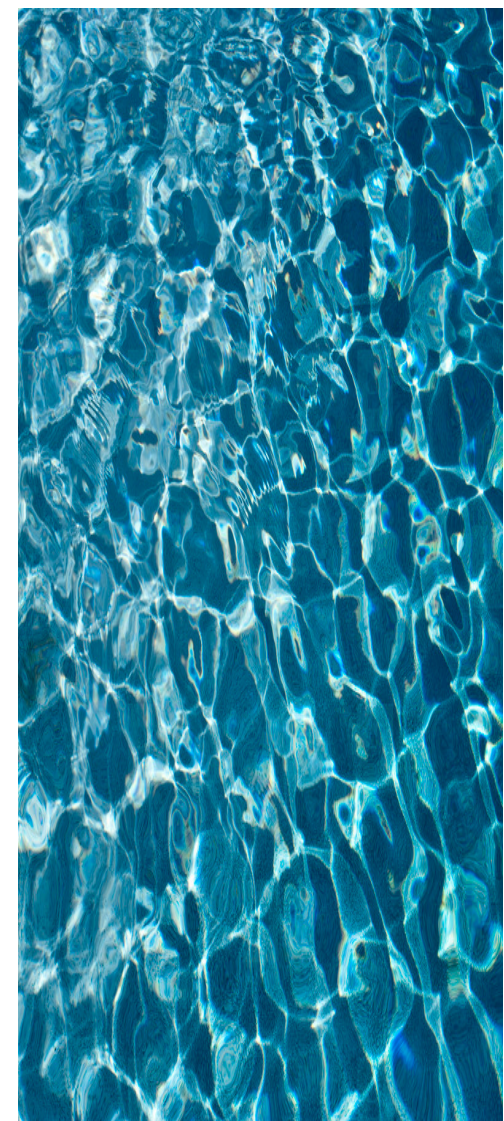

Inspired by light and shadow, texture and print combine to ooze delicate glamour for walls. The textile styling of the emboss, echoed with equally tailored print, makes this a versatile wallcovering of choice.

---

La texture et le motif de Shimmer jouent avec l'ombre et la lumière pour créer une ambiance glamour. L'effet textile de la matière évoque le gaufrage, il s'agit d'un revêtement qui s'adapte à beaucoup de styles et s'intègre facilement à la décoration de n'importe quelle pièce.
