

CONVEYANCE SOLUTIONS CAPABILITIES

Heavyweight Belting / Lightweight Belting /
Industrial & Hydraulic Hose /
Gaskets & Seals / Custom Urethane Parts

SOLUTIONS

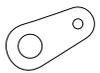

Every day you depend on conveyor belting, hose, gaskets, and seals to keep business moving forward. Partnering with Mi Conveyance Solutions means you'll benefit from ideas turned into solutions with capabilities and services designed to meet every challenge with customized products specific to your application.

With specialists throughout the country and multiple locations focused on conveyance solutions, we'll work with you to provide the expertise and know-how for smart, cost-effective products engineered to meet both OEM and MRO requirements.

PRODUCTS & SERVICES

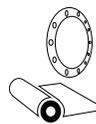

Heavyweight Belting. Designed to excel under demanding conditions, our extensive inventory offers up to 1,200 PIW and cover compounds built to last wherever you are.

Lightweight Belting. Versatile and strong, our broad offering includes a variety of covers, including: PVC, urethane, silicone, PTFE, natural or synthetic rubber, and so much more.

Industrial & Hydraulic Hose. As a NAHAD member, we utilize and follow the association's hose assembly guidelines to ensure safer, higher-quality, consistent assemblies.

Gaskets & Seals. Available in any size, shape, or material—we offer complete design capabilities to engineer and cut the most exotic parts out of almost any material required.

Custom Urethane Products. From roller recovering to open-cast and compression-molded products—whether reproducing or creating anew—we'll work with unparalleled precision to get what you need, when you need it.

INDUSTRIES

-  Aggregate and Mining
-  Agriculture and Grain
-  Automotive
-  Chemical Processing
-  Construction and Rental
-  Food and Beverage
-  Heavy Equipment Manufacturing
-  Marine
-  Oil and Gas
-  Package Handling/
Distribution Centers
-  Pharmaceuticals and Cosmetics
-  Power Generation
-  Recycling
-  Steel
-  Wood/Pulp/Paper
-  And So Much More!

CAPABILITIES

CONVEYOR BELTING

Heavyweight Belting

- Industrial and Mining
- Grain Handling
- High Heat/Oil Service
- Road-Away™ Milling
- Prepared Ends for Hot or Cold Splicing
- Punched, Skived, and Routed Prepared Ends
- Elevator Bucket Punching
- Hot Molded V-Guides, T-Cleats and Cleanout Cleats
- Durowall™ Corrugated Sidewalls
- Custom Chevron or Molded Chevron Cleated
- Apache PowerClea® Molded Crescent

Lightweight Belting

- TPU, PVC, and RMV Thermoplastic
- Lightweight Rubber
- Monolithic
- Food-Grade
- Package Handling
- RedDrive® 45 and RedDrive® 77
- Pharmaceutical Belting
- Paper, Printing and Power Transmission
- Incline Textured Profiles
- High Temperature
- Installation of All Flexco® Fasteners
- Finger, Double Finger and Step Splices
- Prepared or Open Ends for Field Installation
- Longitudinal Splicing
- Edge Capping/Sealing
- Customer Covers and Specialty Fabrication
- Custom Cleats, V-Guides and Profiles
- Durowall™ Corrugated Sidewalls
- HF Welded Cleats, V-Guides and Profiles

Field Services

- Available 24/7/365
- Full Service, Turn Key Conveyor Belt Installation and Vulcanization
- Complete Belting and Conveyor System Inspections
- Conveyor Design Assistance
- Self-Contained, State-of-the-Art Equipment
- Conveyor Component Re-Assembly and Adjustment
- Conveyor and Idler Maintenance
- Pulley Lagging, Custom Chute and Pipe Lining
- MSHA Part 46 and Part 48 Certified
- Fenner Dunlop Certified Splice Technicians

24/7
365
ACCESS

Additional Accessories & Capabilities

- Belt Cleaners, Plows, and Scrapers
- Belt Presses and Rotary Belt Cutters
- Conveyor Idlers and Pulleys
- Elevator Buckets and Bolts
- Industrial V-Belts
- Mechanical Fasteners
- Mill Liners
- Motor and Gear Reducers
- Perforation
- Plastic Lacing
- Pulley Lagging
- Roll Guards and Guard Panels
- Roller Chain
- Skirtboard Rubber

Value-Added Services

- Slitting
- Hole Punching
- Installation of Custom Cleats and V-Guides
- Custom Fabrication
- Vanner and Flanged Edges
- Field and Shop Vulcanization

CAPABILITIES

INDUSTRIAL & HYDRAULIC HOSE

Hydraulic Hose & Assemblies

- 1/4" to 4" ID, Assembled with Permanent Crimped or Reusable Fittings
- Pressure Ratings up to 15,000 PSI
- Rubber and Thermoplastic
- Braided and Spiral
- Custom-Formed Hydraulic Tubing Assemblies to Exact Tolerances and Specifications

Industrial Hose & Assemblies

- 1/4" to 12" ID
- Pressure Ratings up to 500 PSI
- Rubber, Plastic, and PTFE
- Wide Range of Ends and Connections

Metal Hose & Assemblies

- Shops Stock 1/4" to 8" ID, Larger Available per Request
- Stainless Steel Corrugated, Braided and Interlock
- Stainless 304, 321, 316L and Other Alloys
- Engineered Metal Expansion Joints

Fittings, Accessories & Adapters

- Air Fittings
- Cam Locks and Pin Lugs
- Clamps
- Hose Guards
- Flanges
- Hydraulic Adapters
- Nipples
- Valves

Hose Testing & Services

- Pressure, Burst, and Proof Testing
- Hydrostatic Testing
- Nitrogen Testing (select locations)
- Conductivity Testing
- On-Site Testing (select locations)
- Air Under Water

Associations & Benefits

- NAHAD Hose Safety Institute
- Authorized Gates E2E Safety Connection Distributor
- Gates Safe Hydraulics Certified Shops
- ISO Registered Fabrication Shops
- State-of-the-Art Equipment
- After-Hours Emergency Assistance
- Customer Cost Savings
- On-Site Field Specialists

Value-Added Services

- Hose Kitting
- Part Number Tagging, Stamping, and Engraving
- Safety and Storeroom Surveys
- Customer Training
- Hose Repair and Refurbishment
- Mobile On-Site Testing and Fabrication (select locations)

CAPABILITIES

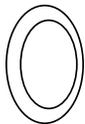

GASKETS & SEALS

Gaskets

- Materials: Aflas®, G-10, Nylon, PTFE, UHMW, Polyurethane, Miscellaneous Plastics, All Rubber Compounds Including SBR, Neoprene, Viton®, Silicone, and Foam
- NSF, FDA/USP, 3A and Pharmaceutical Materials and Accountability
- PTFE Gaskets Welded for Extremely Large Diameter
- One-Piece and Multi-Segment Gaskets
- Non-Asbestos Gaskets
- PTFE-Filled Gaskets
- Graphite High-Temp Gaskets
- Specialty Rubber Gaskets
- Metal Gaskets
- Spiral-Wound Gaskets: All Sizes/Thicknesses
- 24" ANSI Standard-Sized Gaskets in Ring and Full-Face Larger Diameters
- Temperatures up to 2,000°F
- Pressure Ratings up to 2,500 lbs.

Custom O-Ring Fabrication

- Materials: Aflas®, Buna, EPDM, Kalrez®, Neoprene, Silicone
- Durometers: 45, 60, 75, 90
- Cross-Section Sizes: 1/16" up to 1"
- Profiles: Round and Square
- Sanitary and Metal/X-Ray Detectable
- Up to 1/2" Cross-Section Run Through a Digital Micrometer to Ensure Certified Tolerances of +/- 0.010"

Molded & Extruded Rubber

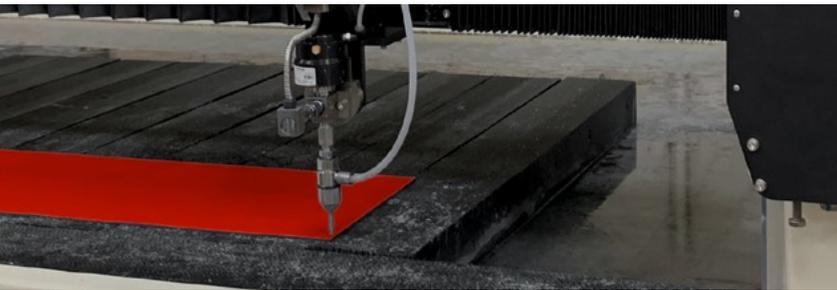

- Standard and Custom Blended Compounds
- Extrusions and Compression/Transfer Molding to RMA Commercial A-3 Tolerances
- Rubber Molding: Small to Extra Large
- Rubber Extrusion
- Rubber Gate Seals: Irrigation and Hydraulic
- Dredge, Marine, and Dry Dock Seals
- Lock and Dam Seals
- Military Bunker Storage Seals
- Transportation and Industrial Bushings
- Vibration Dampening
- Rubber-to-Metal Bonding
- Rubber-to-PTFE Bonding
- Custom Sizes, Shapes, and Quantities

Additional Sealing

- Rubber, PTFE, and High-Temp Fabric Expansion Joints:
 - 1" to 30" Diameters
 - Standard and Custom
 - Round and Rectangular
 - Made to Order
 - Turnkey Projects
 - Material and Installation Contracting
 - Self-Detecting Wear Replacement Indicators
- Mechanical Seals
- Reduced Water Use Pump Packing
- LDAR Low Emission Valve Packing
- Critical Application Pump Diaphragms
- Gasketing Tapes: PTFE and High-Temp
- PTFE Joint Sealant

CAPABILITIES

GASKETS & SEALS (CONTINUED)

Additional Custom Fabrication & Capabilities

- Adhesives, Greases and Lubricants
- Die Cutting
- CNC Flash Cutting
- CNC Waterjet and Abrasive Cutting
- Hole Punching and Perforating
- Laminating
- PSA Backing
- Rubber Boots and Sleeves
- Slitting
- Slotted Snow Plow Blade
- Special Packaging
- Splicing
- Stripping
- Subassembly
- Vulcanizing

Value-Added Services

- Custom Fabrications: Size, Shape, Material
- CNC CAD Precision Cutting with Close Tolerances and Quick Reproduction
- Digital Customer Sample Scanner for CAD Conversion
- Field Surveys
- Idea/Sketch to CAD Drawing Conversion

CUSTOM URETHANE PRODUCTS

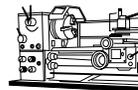

Polyurethane

- Roller Recovering: 1"-30" Diameter x 1"-12' Long
- Sheets up to 1" Thick x 24" Wide x 8' Long
- Compression-Molded Products (precise tolerance)
- Open-Cast Products (less tolerance)
- 30A-95A up to 65D Durometer
- 10' x 20' Oven
- Custom Sizes, Shapes, and Quantities

Milling Capabilities

- Includes:
 - Bridgeport: 6" x 20"
 - Fadal CNC Machining Center: 15" x 15" Table

Lathe Machining Capabilities

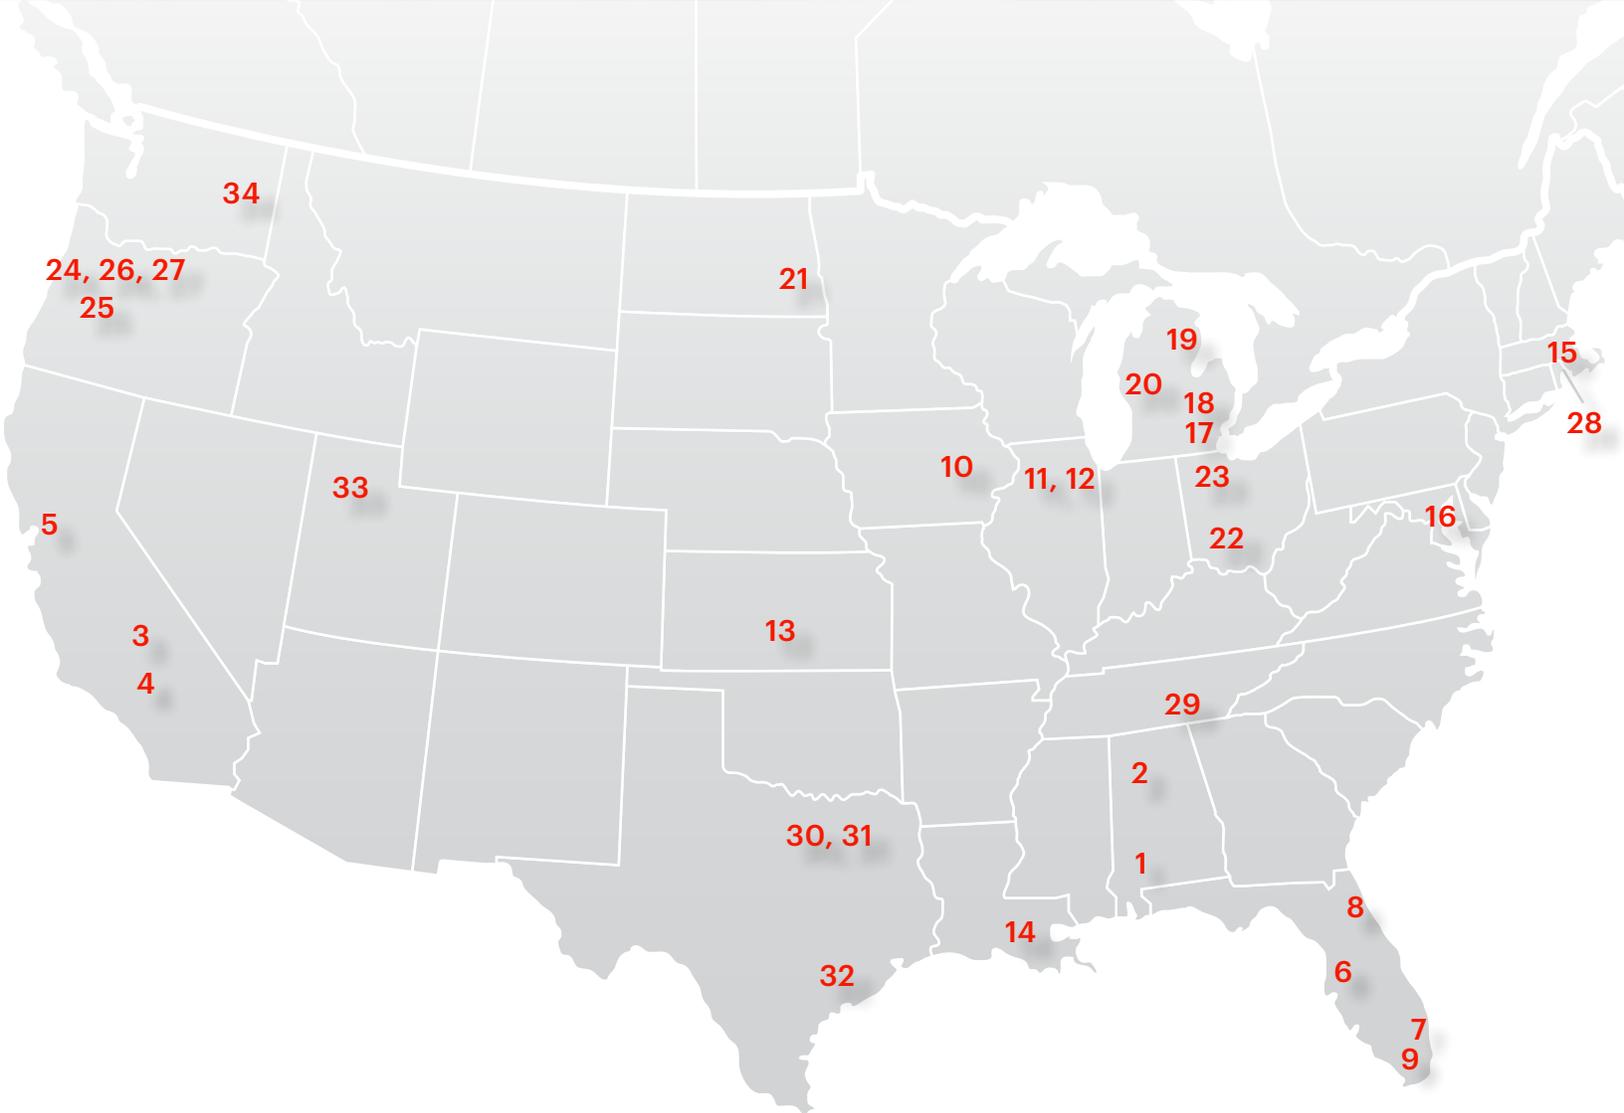

- Includes:
 - 36" Crawford Swift Engine Lathe: up to 15' Length
 - 24" LeBlond Engine Lathe: up to 9' Length
 - 10" Enco Engine Lathe: up to 5' Length
 - 6" Jet Lathe: up to 24" Length

Value-Added Services

- Custom-Engineered Products
- Access to Engineering Experts to Reproduce or Create New
- Custom Fabrication Molded to Any Shape or Size
- Idea/Sketch to CAD Drawing Conversion

LOCATIONS

**30+ CONVEYANCE SHOPS THROUGHOUT
THE UNITED STATES!**

LOCATIONS

1. **AL30—Mobile/Calvert**
Hose Fabrication, Gasket Fabrication,
Cut Parts, CNC Flash Cutting,
Digital Sample Scanner
2. **AL49—Birmingham**
Hose Fabrication
3. **CA48—Victorville**
Conveyor Belting Fabrication,
Field Services/Installation
4. **CA59—Los Angeles**
Hose Fabrication
5. **CA95—Benicia**
Hose Fabrication
6. **FL07—Tampa**
Conveyor Belting Fabrication,
Field Services/Installation
7. **FL08—Miami/Hialeah**
Conveyor Belting Fabrication,
Field Services/Installation
8. **FL09—Jacksonville**
Conveyor Belting Fabrication,
Field Services/Installation
9. **FL74—Sunrise**
Hose Fabrication
10. **IA38—Cedar Rapids**
Conveyor Belting Fabrication,
Field Services/Installation,
Hose Fabrication, Gasket Fabrication,
Cut Parts, CNC Flash Cutting,
Waterjet Parts
11. **IL13—Woodridge**
Conveyor Belting Fabrication,
Field Services/Installation
12. **IL34—Woodridge**
Hose Fabrication
13. **KS04—Wichita**
Hose Fabrication

A PARTNER YOU CAN TRUST

PROVEN EXPERIENCE

- Experts who understand your challenges
- A partner committed to your success 24/7/365
- A proven market leader with a global reach
- 90+ years of dedication to quality products tested and proven to withstand the toughest applications

24/7 **Mi Conveyance Solutions**
365 experts and specialists
ACCESS are available 24/7/365 for
customers' inquiries.

From product specialists to outside sales, and customer service to field service teams—there isn't any challenge Mi Conveyance Solutions can't solve.

We pride ourselves on bringing you smart, cost-effective, custom, product-based solutions that keep your business moving.

Partners. The Best Part of All.®

MI CONVEYANCE SOLUTIONS focuses on customized, value-added services and capabilities designed to support your OEM and MRO needs anywhere there are moving parts or fluid conveyance. With specialists available for field service solutions and parts expertise throughout the country, we're ready whenever and wherever you need us.

PRODUCTS – Bulk Hose, Hose Assemblies, Hose Adapters and Accessories, Lightweight Belting, Heavyweight Belting, Belting Fasteners and Lacing, Belt Scrapers and Accessories, Sidewall Belts, Gaskets, Seals, Cut Rubber Parts, **and MORE!**
