

# #3800

2-PLY 100# POLYESTER WHITE URETHANE BARE X BARE

## FEATURES

This belt provides excellent service in a wide variety of food processing applications. The urethane-impregnated surface makes it a popular choice for rolling and forming, as well as some cutting and packing applications. Urethane skim prevents delamination and provides excellent splicing strength and appearance. Strong with the flexibility required in today's food processing.
