

#4129

4-PLY 150# SLIPTOP POLYESTER TAN NITRILE BARE NYLON X FRICTION

FEATURES

The smooth nitrile cover offers good cut and abrasion resistance, as well as excellent oil resistance. Using a simple hand tool, this belt can be easily spliced on-site to any length or supplied with prepared ends for quicker installation. Troughable and easily tracked, this is an ideal belt for food and oily applications.
