

#4137

2-PLY 100# POLYESTER MONOFILAMENT BLACK PVC COVER X BARE ANTISTATIC

FEATURES

General-purpose European-style monofilament belts with a high-quality thermoplastic cover. Excellent choice for conveyors with small pulleys or anywhere a cross-rigid belt is required. Essentially non-marking and oil resistant. A popular choice in many conveyor systems including package handling and distribution centers.

APPLICATIONS

- Package Handling
- Horizontal
