

#4328

2-PLY 100# POLYESTER BLACK PVC LONGITUDINAL RIB X BARE WHISPER WEAVE ANTISTATIC/FIRE RETARDANT

FEATURES

This 2-ply cross-rigid belt features a longitudinally ribbed, soft, high-grip PVC top cover with a low-noise, pulley-side fabric. Specifically designed for use in large distribution centers and on incline conveyors, this belt is also static conductive and flame retardant.

APPLICATIONS

- Package Handling
- Horizontal
- Light Incline
