

Value Added

Mi Fluid Power Solutions provides the components you need from top fluid power suppliers, and the services and customer care that make us much more than just a parts distributor.

Mi Fluid Power Solutions can provide a customized program based on your specific needs to help you:

- Reduce inventory levels.
- Increase inventory turns.
- Reduce inventory carrying costs.
- Reduce procurement costs.
- Increase on-time deliveries.
- Achieve error-free order entry & processing.
- Gain space savings within your facility.

ELECTROMECHANICAL

- AC Drive Control
- AC Motors
- Connectors, Cordsets, & Enclosures
- Control & Signaling Devices
- DC Drive Control
- DC Motors
- Electrical Brake/Clutch
- Electrical Control
- Enclosures
- Encoders & Resolvers
- HMIs
- IEC/Metric Motor

- Inverter/Vector
- Limit Switches
- PLCs
- Push Buttons & Pendants
- Robotics
- Safety Sensors
- Servos & Steppers
- Vision Systems
- Washdown/Food Processing

Linear Motion

- Ball Bushings
- Ball Screw & Nut
- Carriage & Blocks
- Linear Actuators
- Linear Bearings
- Linear Shaft (Round/Precision)
- Linear Shaft Support
- Linear Systems

FILTRATION

- Bag House Filters
- Diesel Fuel Filters
- Duplex Assemblies
- Filter Carts
- Fluid Analysis
- Food & Beverage Filters
- High Pressure Filters
- IoT Monitoring Solutions
- Low & Medium Pressure Filters
- Particle Counters
- Process Filters
- Return and Suction Line Filters
- Vacuum Dehydrators

HOSE & FITTINGS

- Check, Drain, Needle, & Ball Valves
- Chemical Hose
- Diagnostic Equipment
- Extreme Pressure Hose Assemblies
- Fire Sleeve
- Flange Adapters & Split Flange Kits
- Hose & Tubing Insulation
- Hose Fabricating Equipment
- Hose Guards
- Hydraulic Hose
- Industrial Hose
- Metal Hose Assemblies

HYDRAULICS

Hydraulic Cylinder Products

- Accumulators
- Charging & Gauging Kits
- Custom Cylinders
- Hydraulic Shock Suppressors
- Mill Duty Cylinders
- Mobile Cylinders
- NFPA Interchangeable Cylinders
- Rack & Pinion, Mill Duty, Industrial, & Vane Rotary Actuators

INDUSTRIAL TOOLS

- Electric Assembly
- Material Handling
- Material Removal
- Pneumatic Assembly
- Riveting Systems
- Screw Feeding Systems
- Tool Management
- Torque Measurement

LUBRICATION

- Dispensing Systems
- Divider Valves
- Fittings, Tubing, & Hose
- Grease Guns
- Injectors
- Lube Cups
- Lube Systems
- Manifolds
- Oil Circuit Breakers

PNEUMATICS

Pneumatic Actuator Products

- Base Slides
- Compact, Rodless, & Stainless Cylinders
- Grippers
- Guided Cylinders
- ISO, NFPA, VDMA Cylinders
- Rotary Actuators
- Swing Clamps

Air Preparation/Vacuum Products

- Air Bearing Stages
- Filters, Regulators, & Lubricators
- Oil/Water Separators
- Pressure Gauges
- Vacuum Filters
- Vacuum Generators, Switches, & Sensors
- Vacuum Pads & Cups

Pneumatic Valve Products

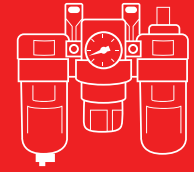

- Control Valves
- Field Bus
- Logic Control
- Needle, Flow, & Check Valves
- Proportional Valves
- Solenoid, Remote Piloted & Manually Operated Valves

PROCESS EQUIPMENT

- Air-Cooled Pumps
- ANSI Pumps
- Brazed Plate
- Centrifugal Pumps
- Chillers
- Diaphragm Pumps
- Gear Pumps

- Heat Transfer
- Hot Oil Pumps
- Liquid Ring Pumps
- Mechanical Seals
- Multistage Pumps
- Plate & Frame
- Positive Displacement
- Progressing Cavity
- Rotary Vane Pumps
- Sealless Pumps
- Self-Priming Pumps
- Shell & Tube
- Split Case Pumps
- Systems & Fabrication
- Turbine Pumps
- Vacuum Pumps
