FLUID POWER SOLUTIONS

S.T.A.M.P.E.D. HOSE SELECTION WORKSHEET

Name: _____ **Email:** _____

Company: _____ **Date:** _____

Phone #: _____

HERE'S WHAT WE NEED FROM YOU.

Selecting the correct hose and fittings reduces the risk of hose failure due to misapplication. Mi Fluid Power Solutions works with you to find the solution needed and recommends the proper solution for your application. Use the S.T.A.M.P.E.D. process for accurate and complete information.

Experienced sales team members are just a phone call away, and knowledgeable field representatives are available when a site visit may be necessary.

S — Size

- What size is the hose? _____
- Inside Diameter (I.D.): _____
