

HYDRAULIC PRODUCTS THAT WON'T QUIT

Save Energy.
Cut Costs.
Reduce Noise.

**Custom solutions for the future,
keeping your operations up and
running.**

Industrial products that provide the
performance, durability, and flexibility
your hydraulic applications need.

- **DG Valves**
- **PVM Piston Pumps**
- **Tie-Rod Cylinders**

Vickers (Danfoss)

Directional Control Valve

- Solenoid Actuation
- 4-Way
- D05 Valve
- 20 gpm Max Flow
- 110 V AC (50 Hz) / 120 V AC (60 Hz) Coil M

Vickers (Danfoss)

Hydraulic Axial Piston Pump

- PVM
- 98.3 cm³/r Displacement
- Right-Hand Input Rotation

Vickers (Danfoss)

**NZ Series Tie-Rod NFPA
Heavy Duty**

- 3,000 psi
- 1.500 in Bore
- Cap Clevis Mount
- 1.000 in Rod
