## **WELCOME TO THE VISIONARY CLUB**

We're the visionaries: the ones who have pioneered the new. What was impossible yesterday is possible today, because of us. We have been the ones pushing the limits for a new perspective, a new place. Once you're in the club, this new place, you won't want to go back. You might not have known about us before, but you do now.

# THE COLLEGIATE JACKET

Our NVSG Collegiate Jacket is our reinvented, modern perspective on a timeless rite of passage. The Collegiate Jacket is fully sublimated. Which means it seals in the vibrancy of the design, and the nostalgic memories, for the life of the garment. Designed in NVSG exclusive fabrics, the Collegiate Jacket is as hardwearing as it is good looking. Crafted with a printed lining, allowing class rolls and signature touches to your Jacket.
